Zenith Radiant 777 Watch & Clock Cleaner

Zenith Drizebrite "Final Rinse"

Zenith Watch & Clock Cleaning Concentrate

new stock

JUST arrived

Zen-Radiant (3.8L)
"The Ultimate Watch and Clock Cleaner". Radiant is rated as a high performance cleaner in a class of its own. Low odour, gentle for leaving letters from baked-on enamel coatings, with the strength to remove hardened grease and oil from metal parts.

Zen-Drizebrite (3.8L)
The rule is: Rinsing Solutions should have the same solvents as the cleaner in order for it to be most effective - this rinse works brilliantly combined with Zenith Radiant. It has a fantastic Odorless rating and leaves parts spotless, without any oily film.

Zen-25INA (3.8L)
Most clockmakers use Water Base cleaners because of the size of movements used in clocks. To clean clock time pieces requires a large amount of cleaner. Water Base Cleaners come in concentrated form which is diluted to a 1:7 ratio with water. One gallon of concentrated solution makes eight gallons of cleaner. Zenith's Product 25INA is a water base cleaner, rated Low Odor.

T-EX7450

Flat Round-Nose Pliers 133.4 mm

Lindstrom EX Pliers

Precision-crafted in Switzerland
of hardened, high-chromium steel alloy.

These Lindstrom pliers feature one flat-nose and one round-nose jaw, ideal for making bends in wire or flat stock. The jaws are parallel from pivot to tip and have squared-off tips, helping to ensure precise, repeatable curves and angles.

T-EX7490

Flat nose Pliers 133.4 mm

Lindstrom EX Pliers

Precision-crafted in Switzerland
of hardened, high-chromium steel alloy.

T-EX7590

Round Nose Pliers 133.4 mm

Lindstrom EX Pliers

The jaws of these Lindstrom round-nose pliers taper from pivot to tip and are ideal for making loops, jumps rings, clasps, coils and curved bends.

T-EX7890

Chain Nose Pliers 146 mm

Lindstrom EX Pliers

Precision-crafted in Switzerland
of hardened, high-chromium steel alloy.

T-EX7892

Bent Chain Nose Pliers 146 mm

Lindstrom EX Pliers

Made of high chromium steel alloy. Precision crafted in Switzerland. High friction ergonomic grips distribute proper pressure to hand surface for maximum comfort. Light action grips. Precision screw joints for long life. Radius edge protects from marring.

Pliers (Special Purpose), Cutters, Shears

T-EX8141

Flush Cutters 127mm

Lindstrom EX Cutters

Precision-crafted in Switzerland of hardened, high-chromium steel alloy. The jaws of these Lindstrom flush cutters are pointed and angled almost parallel to the handles. Ideal for cutting sheet and wire in restricted areas, these cutters require a bit more pressure than a super-flush cutter yet still leave only a minimal pinch.

T-EX7893

Chain-Nose Pliers 133.4 mm

Lindstrom EX Pliers

Precision-crafted in Switzerland of hardened, high-chromium steel alloy. The semi-round jaws of these Lindstrom chain-nose pliers have flat interior surfaces, ideal for opening and closing jump rings, flat-crimping and creating angled bends.

T-7190

- When you have made your selections go to the checkout to process your order.

Phone Orders

Local calls (9 am and 5 pm EST) to:

- Brisbane 07 3876 7481
- Sydney 02 8004 1626
- Melbourne 03 9038 8545
- Perth 08 6363 5517
- Adelaide 08 7221 2202

Tell us your name and the store you work at, the stock number and quantity you require and specify any special instructions.

Fax Orders

Fax 07 3368 3100 with your details on the order.

- Include stock numbers and quantity required.
- Specify any special instructions.
- Fax to 07 3368 3100.

Email Orders

Email: sales@labanda.com.au

- Include in email your name and store details.
- State the stock number and quantity required.
- Specify any special instructions.
- Email to sales@labanda.com.au.

Returns

We ensure every order is valued by our staff and is completed with precision and care.

- Please contact us to organise authority for returning goods. Shipping cost is the onus of the buyer.
- Please inspect your order upon receipt to ensure all items meet your standards.
- Any returns should be in new condition, with the original packaging.
- Please supply a copy of the the original invoice together with a description of the fault.
- Returns will only be accepted within 10 days of the invoice date. When shipping items to us please ensure the goods are carefully stored in a sturdy package.

Payment Methods

We ensure that your orders are carefully packaged. Packages are sent by Express Post, Parcel Post or Fastway Couriers.

Payment can be made in a number of convenient ways:

- We accept Visa, MasterCard or direct credit to our account.
- Our website accepts secure online payments using a free PayPal account.
- A 30-day account can also be established with Labanda, subject to approval.

Terms and Conditions

Terms and Conditions

By placing an order with Labanda, you are accepting our terms and conditions and Labanda will not be held liable if the customer does not understand these terms and conditions. Please contact Labanda if you need help with any of the terms and conditions stated.

Guarantees and Warranties

Products supplied by Labanda to customers are covered by their respective manufacturer's warranty. If there is a fault with your product within the warranty period please contact Labanda and specify the problem. Any claim must be made to Labanda within 3 days of invoice. Labanda will repair, refund or replace any product that proves within the guarantee period to be faulty. However if Labanda suspects the product to be faulty due to misuse, willful damage, negligence, failure to follow instructions, lack of technical understanding, alteration or fair wear and tear, Labanda reserves the right to send the product back to the customer and re-invoice. Labanda is not under any liability regarding guarantees or warranties if any payment for the product is over due.

Ownership and Risk

Customers should be advised that orders will be dispatched via their chosen postage method stated in the payment conditions (Below). Labanda will not be held liable for any problems that may arise during the delivery stage of your order. Labanda remains the owner of any goods ordered until Labanda has been paid in full. Please read the Shipping section of terms and conditions for postage costs and methods.

Payment Conditions

Customers who already have an existing account with Labanda may charge orders direct to their account. If you do not have an account you can pay using PayPal. We offer a PayPal payment solution for the enhanced security features protecting your personal information by means of SSL Security and 128bit data encryption. PayPal also offers insurance of up to \$3000/transaction. PayPal accepts Visa and MasterCard, however should you already have a PayPal account then other payment options are available. All goods will remain the property of Labanda until the payment has been made in full.

Opening Orders

An opening order can initially be paid for by business cheque, Mastercard or Visa ; with the minimum spend of \$20.00. An account application form can be obtained by contacting customer service or the company representative. Account terms are strictly 30 days.

Prices

All prices given or provided by Labanda are subject to change at any time without notice. The customer should in all cases confirm the price at the time of order. Customers should be advised that all prices do not include GST.

Returns

We take great care to send you new products in excellent condition. If you're not satisfied, please return the entire item in original condition, we'll gladly accept returns on purchases provided the product is returned in new condition and isn't damaged. Please return in original packaging and within 10 days of invoice date. When returning items to us please ensure the goods are carefully stored in a sturdy package. Please supply the original invoice number and date, also the reason for the return and a description of the problem with the item. Any further Warranty issues are between you and your customer. Please Note: since manufacturers do not warranty movements for repair purposes, please inspect your movement upon receipt and before installation.

Shipping

Shipping and methods of dispatch of all orders will be at Labanda's discretion unless specified by the customer at the point of order. Prices for orders can change depending on the weight of the order and the time required for delivery. Labanda shall not be liable for any losses, costs, damages or lateness of order. Any quoted delivery date should be treated as an estimate and the order may be delivered before or after any quoted date.

Repairs

Labanda takes all due care and attention in watch and clock repairs and in the cutting of glass for watch cases. Labanda has a 6 month guarantee against fault in workmanship on all repairs. While this guarantee includes parts we replace it does not include parts we do not replace. While Labanda makes all reasonable efforts to secure and protect customers' property while on our premises, it is the responsibility of the customer to insure their items against all possible events such as theft or damage. Any item in transit is the responsibility of the customer regardless of the method of transport employed.
