LABANDA PROFILE

Established in 1981 with over 30 years experience, as a wholesale company, Labanda is renowned for their exceptional service in the Watch and Jewellery Industry.

Our Team takes pride in it's ability to successfully fill your orders in a prompt and proficient manner.

We are committed in our work and carry out each job with speed and accuracy.

The release of our new catalogue collection is an example of Labanda's commitment to provide a superior selection of products used by professionals in both the watch and jewellery industries. With thousands of high quality, full sized photos, interchangeability lists, battery charts and much more, our new catalogue will help you with the majority of your watch and jewellery needs.

Tool Returns

We ensure every order is valued by our staff and is completed with precision and care.

- Please contact us to organise authority for returning goods. Shipping cost is the onus of the buyer.
- Please inspect your order upon receipt to ensure all items meet your standards.
- Any returns should be in new condition, with the original packaging.
- Please supply a copy of the the original invoice together with a description of the fault.
- Returns will only be accepted within 10 days of the invoice date. When shipping items to us please ensure the goods are carefully stored in a sturdy package.

Methods of Payment

We ensure that your orders are carefully packaged. Packages are sent by Express Post, Parcel Post or Fastway Couriers.

Payment can be made in a number of convenient ways:

- We accept Visa, MasterCard or direct credit to our account.
- Our website accepts secure online payments using a free PayPal account.
- A 30-day account can also be established with Labanda, subject to approval.
