## LABANDA PROFILE

Established in 1981 with over 30 years experience, as a wholesale company, Labanda is renowned for their exceptional service in the Watch and Jewellery Industry.

Our Team takes pride in it's ability to successfully fill your orders in a prompt and proficient manner.

We are committed in our work and carry out each job with speed and accuracy.

The release of our new catalogue collection is an example of Labanda's commitment to provide a superior selection of products used by professionals in both the watch and jewellery industries. With thousands of high quality, full sized photos, interchangeability lists, battery charts and much more, our new catalogue will help you with the majority of your watch and jewellery needs.

## Tool Returns

We ensure every order is valued by our staff and is completed with precision and care.

- Please contact us to organise authority for returning goods. Shipping cost is the onus of the buyer.
- Please inspect your order upon receipt to ensure all items meet your standards.
- Any returns should be in new condition, with the original packaging.
- Please supply a copy of the the original invoice together with a description of the fault.
- Returns will only be accepted within 10 days of the invoice date. When shipping items to us please ensure the goods are carefully stored in a sturdy package.

## Methods of Payment

We ensure that your orders are carefully packaged. Packages are sent by Express Post, Parcel Post or Fastway Couriers.

Payment can be made in a number of convenient ways:

- We accept Visa, MasterCard or direct credit to our account.
- Our website accepts secure online payments using a free PayPal account.
- A 30-day account can also be established with Labanda, subject to approval.

## T-EX7450

Flat Round-Nose Pliers, 133.4 mm

### Lindstrom EX Pliers

Precision-crafted in Switzerland of hardened, high-chromium steel alloy.

These Lindstrom pliers feature one flat-nose and one round-nose jaw, ideal for making bends in wire or flat stock. The jaws are parallel from pivot to tip and have squared-off tips, helping to ensure precise, repeatable curves and angles.

## T-EX7490

Flat nose Pliers, 133.4 mm

### Lindstrom EX Pliers

Precision-crafted in Switzerland of hardened, high-chromium steel alloy.

## T-EX7590

Flat nose Pliers, 133.4 mm

### Lindstrom EX Pliers

Precision-crafted in Switzerland of hardened, high-chromium steel alloy.

## T-EX7890

Chain nose Pliers, 146 mm

### Lindstrom EX Pliers

Precision-crafted in Switzerland of hardened, high-chromium steel alloy.

## T-EX7892

Bent Chain Nose Pliers, 146 mm

### Lindstrom EX Pliers

Made of high chromium steel alloy. Precision crafted in Switzerland.

High friction ergonomic grips distribute proper pressure to hand surface for maximum comfort. Light action grips. Precision screw joints for long life. Radius edge protects from marring.

Special Purpose Pliers, Cutters & Shears

## T-EX7893

Chain-Nose Pliers, 133.4 mm

### Lindstrom EX Pliers

Precision-crafted in Switzerland of hardened, high-chromium steel alloy.

The semi-round jaws of these Lindstrom chain-nose pliers have flat interior surfaces, ideal for opening and closing jump rings, flat-crimping and creating angled bends.

## T-EX8141

Flush Cutters, 127mm

### Lindstrom EX Cutters

Precision-crafted in Switzerland of hardened, high-chromium steel alloy.

The jaws of these Lindstrom flush cutters are pointed and angled almost parallel to the handles. Ideal for cutting sheet and wire in restricted areas, these cutters require a bit more pressure than a super-flush cutter yet still leave only a minimal pinch.

## T-7190

Micro-Bevel Flush Cutters, 110mm

### Lindstrom Supreme Cutters

High-carbon/chrome steel

Jaw length: ..... 7mm

Overall length: ..... 110mm

Two sets

B-5970 - Set of 9 screwdrivers on rotating stand  
B-3044-A - Set of 10 screwdrivers on rotating stand

## Screwdriver Sets

Bergeon Screwdriver Sets on rotating Stand

B-7899-S09 - 9 piece screwdriver set on rotating stand B-7899-S10  
- 10 piece screwdriver set on rotating stand

## B-6899-S10

10-Piece Screwdriver Set on Rotating Stand

Stainless Steel with grip.

## B-30080

Available in 10 sizes from 0.5mm to 3.0mm.

B-30080-01 0.50  
B-30080-03 0.80  
B-30080-05 1.20  
B-30080-07 1.60  
B-30080-09 2.50

B-30080-02 0.60  
B-30080-04 1.00  
B-30080-06 1.40  
B-30080-08 2.00  
B-30080-10 3.00

## B-30081

Individual Inoxidable Screwdrivers

9 sizes from 0.5mm to 2.5mm.

B-30081-050  
B-30081-060  
B-30081-080

B-30081-100  
B-30081-120  
B-30081-140

B-30081-160  
B-30081-200  
B-30081-250

## Screwdriver Blades

Pack of 10 Spare Bergeon Screwdriver Blades made from **Carbon Steel**.

B-30080-A-DI 0.50  
B-30080-A-DI 0.60  
B-30080-A-DI 0.80

B-30080-A-DI 1.00  
B-30080-A-DI 1.20  
B-30080-A-DI 1.40

B-30080-A-DI 1.60  
B-30080-A-DI 2.00  
B-30080-A-DI 2.50

## Screwdriver Blades

Pack of 10 Spare Bergeon Screwdriver Blades made from **Hardened Stainless Steel**.

B-6899-M-DI 0.50  
B-6899-M-DI 0.60  
B-6899-M-DI 0.80

B-6899-M-DI 1.00  
B-6899-M-DI 1.20  
B-6899-M-DI 1.40

B-6899-M-DI 1.60  
B-6899-M-DI 2.00  
B-6899-M-DI 2.50

## MSA 01.201-090

Watchmaker screwdriver 0.90mm

MSA 01.201-xxx hardened-blue steel blades for handle:  
0.9mm 1.1mm

## MSA 01.202-Txxx

Screwdrivers with knurled stainless steel handle, hexagonal head mounted on ball-bearing and interchangeable "T" shape hardened blue steel blades.

0.6mm	0.9mm	1.3mm
0.7mm	1.0mm	1.5mm
0.8mm	1.2mm	1.6mm

## Grub Screws

Screws for fastening screwdriver blades

B-30080-X - Pack of 10 Grub Screws - for 0.50mm  
B-30080-Y - Pack of 10 Grub Screws - for 0.60-1.60mm  
B-30080-Z - Pack of 10 Grub Screws - for 1.80-3.00mm

# Watch Timing & Testing Machines

## MTG-500

### Mechanical Watch Timing Machine

Device for measuring watch timing when watch is placed on the microphone.

## MTG-1000

### Mechanical Watch Timing Machine

Similar to MTG-500, can also measure amplitude and automatically select the beat number.

## MTG-3000

### Mechanical Watch Timing Machine

Supports automatic 6 position test. 4 display modes and high resolution screen

## MTG-4000A

### Mechanical Watch Timing Machine

Strong enough to read even the weakest signals. High resolution 7" display.

## MTG-5000

### Mechanical Watch Timing Machine

Ultimate in professional analysis. Numerical & visual display, can record information for up to 32 hours and show twice as many beats by splitting the display into 2 rows.

## MTG-PM

### Printing Machine for MTG Timers

Thermo-Direct printer uses thermal paper and does not require ink or ribbons. Compatible with MTG 3000, MTG-4000A and MTG-5000

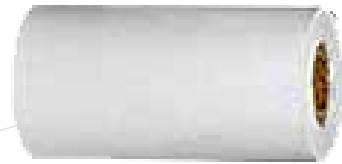

## MTG-PP

Paper Roll for Printing Machine

## MSA 19.140-E

Paper Roll for VibrographB200

## T-QT8000A

Quartz Watch Tester

### Functions:

#### Quartz watch,tuning fork and mechanical watch rate testing

- test by 32.768KHZ Quartz crystal oscillation electric signal
- test by LCD capacitance signal
- test by Stepper motor magnetic field signal
- test by Mechanical vibration signals
- test by A tuning fork signal
- test by current signal

#### Current consumption measurement

- ampere meter(milliammeter/microammeter)

#### Starting voltage measurement

- SPC adjustable dc power supply

#### Resistance measurement,Short-circuit and open-circuit testing

- test resistance
- Test short/open circuit

#### Battery testing

- voltmeter (voltage of high/low consumption)

## T-QT8000B

Quartz Watch Tester

#### Quartz watch,tuning fork and mechanical watch rate testing

- test by 32.768KHZ Quartz crystal oscillation electric signal
- test by LCD capacitance signal
- test by Stepper motor magnetic field signal
- test by Mechanical vibration signals
- test by A tuning fork signal
- test by current signal

#### Current consumption measurement

- ampere meter(milliammeter/microammeter)

#### Starting voltage measurement

SPC adjustable dc power supply

#### Resistance measurement,Short-circuit and open-circuit testing

- test resistance
- test short/open circuit

#### Pulse generator

- stepping motor testing by pulse generator

#### Alarm testing

- test buzzer

#### Battery testing

- voltmeter (voltage of high/low consumption)

#### Programmer

- special IC programming

#### Countdown timer

- countdown watch
